### **Mission Statement**

First Christian Church of Siloam Springs exists to spread a passion for the Supremacy of God in all things for the joy of all peoples.

### **Values**

#### **Encountering God**

We desire to see people experience a fresh and meaningful revelation of the love and power of God in their lives through the teaching of the truths from the Bible and an environment of worship that exalts God.

#### **Transforming People**

We believe that the truth of God and the community of faith work together to bring about real and positive changes as we experience the liberating love of Jesus Christ. As we meet together in our small communities of faith, we build helpful relationships; we are encouraged in faith and grow up in our relationship with Jesus.

#### **Engaging Families**

We know that the next generations must be powerfully engaged to bring life-change to our world. We seek to engage children, youth and their parents in this exciting adventure with Christ. It is our intention that the family is encouraged toward healthy relationships with God and one another so that every family member has a growing relationship-for-life with Jesus Christ.

#### **Investing in Others**

We believe we are called to give to others what we ourselves are receiving from God. As we have been loved by God we are to love others. We are to be missional in our lives. Reaching locally and globally with the compassion of Christ to influence others toward God's provision of abundant and eternal life, we commit to building relationships and inviting others to experience God's liberating truth.
